

Our Clifton Values

Belonging

A feeling of being comfortable as part of our school which is welcoming, accepting and a place to develop strong relationships.

Collaboration

The effort and commitment of everyone in our school to work closely together with trust for each other in order to achieve our goals.

Joy

Finding contentment, peace and happiness in ourselves, others, our environment and experiences.

Kindness

Being friendly, generous and considerate of the thoughts and feelings of others to help them find their success and happiness

Equity

The quality of being fair and impartial and the desire to ensure everyone has what they need to be included, successful and happy. It is not treating everyone the same all the time.
