11th July 2025

It is hard to believe that next week is the final one of the school year – time really does seem to fly! The calendar below is now almost empty but will soon fill up with a host of exciting opportunities in the new school year.

Our Adventure Days have, once again, provided exciting and enriching activities for the children throughout the school and we have been super impressed with how each and every child has embraced the challenges they have faced – whatever their age.

Our Adventure Days are carefully planned to introduce the children to increasing levels of challenge and skill as they make their way through Clifton School. We will continue to review our program to ensure the children are given the best possible experiences.

Water Bottles

A plea from Joanna – please have a look for any school water bottles and return them to school as we are running low! They are purple or bright pink. We used to have 12 of the purple ones and now we have none. Please also remember to send in a water bottle every day to help keep children hydrated at school.

It has been a long time coming but we are so excited about the potential for our new garden classroom that was assembled on Wednesday. SKANSKA kindly funded the construction costs after they were unable to do it themselves due to a delay in deliver.

Watch this space for further developments.

PE LESSONS this half term are as follows.....

Hedgehog Class – Monday ONLY

Fox Class – Wednesday ONLY

Deer Class – Tuesday ONLY

There may be times when for certain reasons we have to change our plans at short notice - if your child comes into school in PE kit and we do not do it then it that is fine.
