Dear Class 3 Parents

### **Outdoor Learning**

Exciting News! This half term Class 3 will have the opportunity to work with Mrs Davies on a new 'Clifton Outdoor Learning Award'. This award contains six 'modules' which will develop a wide range of outdoor skills, from Reception to Year 6, and will embed our school values: The 'Seven 'Cs' of Clifton' – *'Confidence, Commitment, Communication, Collaboration, Curiosity, Creativity, Craftsmanship'*.

Class 3 are first to work on the award, therefore they will be outdoors for most of each Thursday afternoon between now and half term.

Please can your child bring into school a change of clothes to wear which can get wet and muddy, but will also keep them warm and dry, for example:

- Wellies / sturdy shoes / trainer that can get wet and muddy
- Warm trousers / tracksuit bottoms (no jeans please), jumper / fleece
- Warm socks, hat, gloves
- Warm waterproof coat

Of course, at this time of year we are very 'weather-dependent' so we may have some warm sunny days however it may turn rainy and cold so we need to be prepared for all weather conditions.

If you have any difficulties with supplying the clothing, please speak to a Miss Simpson or Mrs Davies.

Kind regards

Sarah Threlkeld-Brown  
Head Teacher
